

Dear Neighbours, Friends and Family,

We are working around the clock to ensure we are well stocked and continue to remain open 24 hours a day, seven days a week.

You are our first concern and we will continue providing you with the same quality service, products, prices and hours. We will remain accessible to you with our wide range of available products including dairy, bakery, fresh produce, health and wellness products and toiletries. Our stores employ certified food handlers who are taking precautions to ensure we sanitize and limit risks, based on Government Guidelines.

We will keep you informed on a regular basis. In the meantime, stay safe and healthy, and remember that your local Rabba market is open and ready to serve you 24 hours a day, 7 days a week.

Sincerely,
Your Rabba Team
